Motion:
That the $14,000 allocated to PEO chapters to conduct 2013 National Engineering Month activities be redirected and contributed to the 2013 NEM Ontario partner fees funding. This would be a one-time occurrence. For 2013, Chapters could either use their own bank accounts, obtain additional funding, or raise funds to run their events. NEM Ontario support to chapters (such as event listings, promotional material) would remain intact.
