

2019 PEO AGM Submission
Submit to: Johnny.Zuccon@peo.on.ca

Title: Chapter Webmail Accounts

WHEREAS: a motion was submitted at the 2013 PEO AGM to create generic webmail accounts for key chapter positions such as chair, vice chair, Sec., Treas., past chair etc. and unanimously passed.

WHEREAS: the 2013 motion was rejected by PEO Council

WHEREAS: at the 2015 AGM a motion was passed to allow active PEO volunteers to be able to request and receive a PEO webmail account

WHEREAS: a cost estimate of Total onetime costs = \$10,600.00 and Total ongoing costs = \$18,000.00 per year for 1000 volunteers was provided to Council.

WHEREAS: Council directed the motion to the ITEG (Information Technology Emerging Governance) subcommittee of RCC for consideration and recommendation.

Whereas: the ITEG subcommittee has not generated a reply nor have they met in probably close to two years

Whereas: at the 2018 PEO AGM a repeat motion to allow active volunteers to be able to request a PEO webmail account was again passed

Whereas: the cost estimate to provide up to 1000 volunteers with a webmail account has ballooned to One-time = \$360,578 and Ongoing = \$402,000 per year

Whereas: Council was looking at a deficit budget of approximately \$4.5 million for 2019 and it was decided to defer the item on the Council agenda to revisit the briefing note to add benefit information to the request and to look at a reduced scale to get Council support.

Whereas: the main benefit of the webmail account is to gain access to the global default database information which provides contact information for staff, staff maintained distribution lists, and to be able to find email addresses for other volunteers with limited information using the search capabilities.

THEREFORE BE IT SUBMITTED THAT,

Council approve the change of the 36 generic chapter email addresses that are an "alias" address to a PEO Webmail account and to provide the password to the relevant chapter chairs and to have the appropriate PEO staff provide self training information in a document to be stored on www.chapters.PEO.ON.ca.
