93<sup>RD</sup> ANNUAL GENERAL MEETING WEEKEND  
FRIDAY, APRIL 24 TO SATURDAY, APRIL 25, 2015

The Westin Harbour Castle, Toronto

## President's Message

J. David Adams, P.Eng.,  
MBA, FEC

### WELCOME MESSAGE

On behalf of Council, welcome to PEO's 93rd Annual General Meeting (AGM).

Our important weekend of events kicks off with our inaugural Volunteer Leadership Conference. This event brings together leaders from PEO chapters, committees and task forces to facilitate common understanding among them of PEO's issues and initiatives.

On Friday evening, we pay tribute to eight of our colleagues at the Order of Honour awards gala. The Order is an honorary society of PEO that recognizes professional engineers and others who have rendered conspicuous service to the engineering profession, normally through volunteer service to the association. During the past year, nearly 1000 men and women volunteered their time to help govern and assist staff in operating the association. PEO is fortunate that so many have such a strong desire to serve and improve the profession. Congratulations to our inductees!

On Saturday, I encourage you to participate in the governance of our profession by attending PEO's Annual Business Meeting, followed after lunch by PEO Council's 500th meeting. We are pleased to have Peter Doody, senior Commission Counsel at the Elliot Lake Commission of Inquiry, as our AGM Luncheon keynote speaker.

As my term concludes, I must thank our volunteers and staff for their ongoing commitment to enhancing our profession. It was truly an honour to serve our profession as your president.

Thank you for joining us this weekend and participating in the governance of your profession.

Sincerely,
