Motion 2.4

LEGISLATION COMMITTEE – RESCINDING COUNCIL MOTIONS

To rescind the following motions previously passed by Council:

That the CEO/Registrar:

C-472, 11013 ENGINEER OF RECORD

- a) in consultation with the Professional Standards Committee, shall undertake to study and to propose amendments to Regulations 941 and 260 under the Professional Engineers Act and PEO Guidelines to incorporate "Engineer of Record and Review Commitment", with proper peer review and consultation, to ensure lines of responsibility are

clear for all work related to the practice of professional engineering and that in a multi-disciplined project, each discipline must be signed off by a Professional Engineer; and

- b) report back to Council at March 2012 meeting.

C-476, 11069 ENGINEER OF RECORD

That:

- a) the performance standard on General Review Commitment Regulation 260-08 be revised to provide a clear line of responsibility for the integrity of the design and general review by sealing and signing the drawings; and
- b) the CEO/Registrar be authorized to contact the appropriate authority with responsibility for dealing with stages, bridges, manufacturing processes and engineered products with the purpose of ensuring there is a clear line of responsibility for the engineering component of the work.
