

**Vivender Adunuri, P.Eng., FEC**  
**Candidate for PEO Western Regional Councillor 2020**

My Fellow Engineers: I am seeking your support to serve as your PEO Western Regional Councillor.

If elected as the Western Regional Councillor:

- ❖ I strive to play an active role in implementing innovative ideas at our new council while improving the relevance, respect and value of engineering to our society.
- ❖ I believe that the young generation are the future of our profession and I am truly passionate about mentoring many young engineers throughout the licensure process.
- ❖ As an elected councillor, I will work with other council members to achieve timely decisions on pending issues and implementing PEO's 2018-2020 strategic plans.

My priorities as a Western Regional Councillor include the following:

- ❖ Supporting PEO's 2018-2021 Strategic Plan: Being on the chapter board and as a chair for 3 years (2016-17 ,2017-18, 2018-19), I feel that chapters should be considered as branch offices for the delivery of regulatory outreach programs.
- ❖ I am a strong believer in focusing on regulation and the licensure process for EITs.
- ❖ Expediate licensure process by simplifying processes.
- ❖ I believe the time has come to consolidate certain committees without diluting the hard work and purpose envisioned by our previous leaders.

I want to assist, play a team role and enhance the ideas at our new council and hope our members from the **Western Region** will **VOTE for ME**.

**VOTE for VIVENDER ADUNURI as your Western Regional Councillor**

***Thank you for your support, vote and trust.***
