

ONTARIO PROFESSIONAL ENGINEERS AWARDS (OPEA) NOMINATION FORM THE ENGINEERING MEDAL – YOUNG ENGINEER AWARD

The [Ontario Professional Engineers Awards](#) recognize professional engineers in Ontario who have made outstanding contributions to their profession and their community. The Engineering Medal – Young Engineer Award recognizes outstanding young Ontario engineers, who have made exceptional achievements in their chosen fields and have demonstrated excellence, not only in career, but also in community and professional participation.

This completed nomination form must be attached to the nomination materials to complete the package. Please type or print clearly (except for signature requirements). There must be one P.Eng. Nominator and two P.Eng. Referees. The Nominator and the Referees must provide letters of support. For guidelines on writing a letter of support, see the [Hints and Tips](#) posted on PEO's website.

Nominations must remain confidential to the nominee and may be submitted anytime during the year. Nominations submitted after the deadline may be considered for the following year's program at the request of the lead nominator. **The nomination deadline is 4:00 pm EST on the last Wednesday in February each year.**

Nominee's Personal Information

NOMINATION INFORMATION

I. SUMMARIZE THE MAJOR WORK-RELATED ACHIEVEMENTS THAT THE NOMINEE HAS MADE

This section should summarize excellence in the practice of engineering, per the *Professional Engineers Act*, management, professional achievement, the teaching of engineering, engineering research and/or development, etc. **Maximum 500 words. (60 points)**

II. DESCRIBE THE NOMINEE’S SERVICE TO THE PROFESSION

This section should include areas such as public education and creating awareness of the role of engineering and professional engineers in Canadian society, active participation in engineering associations, societies, institutions, etc. **Maximum 200 words. (20 points)**

III. DESCRIBE THE NOMINEE’S SERVICE TO THE COMMUNITY

This section should include areas such as service to society and the community beyond the nominee’s regular employment – volunteer work, including service clubs and charitable organizations; participation in commissions, boards, task groups, etc.; participation in governance (municipal, provincial, federal) as an elected or appointed official; improvement of the physical and/or social environment through engineering and other works. **Maximum 200 words. (20 points)**

IV. PROVIDE AN OVERALL SUMMARY OF IMPACT

Maximum 250 words.

SUPPORTING DOCUMENTS

Resume - Please submit a concise copy of the nominee’s resume/CV of no more than three pages. If it exceeds the limit, only the first three pages will be considered.

Letters of Support – Please submit three letters of support, one from the Nominator and two additional letters from other P.Eng. Referees. Each letter should emphasize different aspects of the nominee’s achievements and impact to the engineering profession. More letters of support can be included (also from non-P.Engs.) as long as the Nomination Package doesn’t exceed 20 pages (excluding the Nomination Form).

DISCLAIMER

The information collected on this form is used for the purpose of regulating the practice of professional engineering. The immediate purpose is to nominate PEO members for awards. For more information, see PEO’s Privacy Policy at www.peo.on.ca, or contact PEO’s Privacy Office at 416-224-1100.

Consent to use information supplied

I agree with and support this nomination, and the release for publication of the information supplied. I understand and agree that the information supplied may be published and made publicly accessible through a variety of video, print and web-based publications used by Professional Engineers Ontario and the Ontario Society of Professional Engineers.

I ACKNOWLEDGE THAT I HAVE READ AND UNDERSTAND this consent form.
