

Motion regarding Practice Guidelines

Submission #7

PEO 2022 AGM Member Motion

WHEREAS: Since the Regulatory Review in 2019 PEO has been focused on Right Touch Regulatory Principles and transitioning to a Modern Regulator;

WHEREAS: As a modern Regulator PEO should focus on Standards and Professional Development;

WHEREAS: PEO currently has 31 Guidelines 70% of which are over 5 years old; 50% are over 10 years old; and 30% are more than 20 years old;

WHEREAS: The recently completed Practice Guideline for Design Evaluation and Field Review of Demountable Event and Related Structures took 4 years to develop and was finalized 6 years after the initial request from government;

WHEREAS: There is a clear need to have up to date practice guidelines and a clear need to provide timely practice guidelines;

WHEREAS: We support the recommendation in the Regulatory Review which recommended moving away from an over reliance on volunteers; and

WHEREAS: We support actions of PEO staff and Council with regard to the Action Plan and the Governance Road Map.

MOTION: that PEO operationalize within PEO staff the development and review of Practice Guidelines with clear KPI's and a robust stakeholder consultation
