A PROFESSIONAL ASSOCIATION, RUN BY PROFESSIONAL ENGINEERS

I am running, because you wish:

- ✓ To increase engagement of members and ensure their voice is heard
- ✓ To protect your own profession
- ✓ To have Election Fairness and secure online voting
- ✓ To have a modern, lean and technology aligned organization
- ✓ To enforce industries to employ professional engineers
- ✓ To protect public safety and health
- ✓ To stand against waste of money in advertisements, paying to outside consultants, and increasing membership fee
- ✓ Your voice be heard inside PEO

Trust, Transparency, and Accountability
