

**ABHISHEK  
GUPTA  
Ph.D., P.Eng**

**Candidate for**

**Vice-President**

**2023 PEO Council**

**Education:** Bachelor of Technology (IIT Varanasi, India) & Ph. D. (University of Manitoba, Canada) in Metallurgical/ Materials Engineering.

**Work Experience:** Over 14 years of engineering, operations & leadership experience within Shell Canada Ltd. *Current role: Engineering Business Coordinator.*

**Volunteer/ Council Experience:** Previous council member at U of M. Previous member of Calgary, Edmonton & Ottawa Engineering chapters.

Working across various capacities and dimensions of engineering through my career, I desire to utilize my knowledge, experience, and learning towards Professional Engineering improvement using PEO platform by:

- ❖ Strengthening interface & collaboration among diverse industry sectors & academic partners in Ontario,
- ❖ Fostering continuous learning, technological advancements & talent management across current and emerging engineering disciplines,
- ❖ Continuously improve regulations around engineering practices in province to pioneer PEO as one of the most effective, lean & modern regulators.

Being part of PEO council, I am motivated to bring fresh perspective & vision to the council driving PEO mandate through highest level of integrity, diversity, accountability, professionalism, and leadership in collaboration with council members, committees, and PEO executives.
