

Sardar Asif Khan, PEng.

for COUNCILLOR AT LARGE

A PROFESSIONAL ASSOCIATION, RUN BY PROFESSIONAL ENGINEERS

PEO is going through an extremely critical transition period. Accordingly, we need leaders with proven track records on Council to address the challenges.

I stand for:

- ✓ Enhancement of the engineering profession and making **P.ENG. RELEVANT** to **ENGINEERS, PUBLIC** and emerging disciplines
- ✓ **FAIR, SEAMLESS, INCLUSIVE, and EFFICIENT LICENSING** process in place
- ✓ **TRANSPARENCY**. Members must be informed of all decisions that affect them
- ✓ **TRANSPARENT** and **TIMELY DEBATE** on issues affecting engineering regulation
- ✓ **Timely and effective COMMUNICATION with MEMBERS**
- ✓ **STRENGTHENING OF CHAPTERS**, they are the backbone of PEO and the only effective vehicle for communication and engaging members
- ✓ Measures in place to address the **QUESTIONS ABOUT PEO'S ROLE** in the protection of the public interest and betterment of our world
- ✓ All engineering work **INCLUSION IN PROFESSION** regulation
- ✓ **FLEXIBILITY** to allow new disciplines, technologies, and a mobile workforce
- ✓ **EVOLVE** to remain relevant and effective

I bring, proven track record in:

- CHAPTER experiences - COMMITTEE Experiences - BUSINESS Experiences
- LEADERSHIP experiences for TRANSFORMING organizations
- ACADEMIA Experiences - Extensive VOLUNTEERING experiences

Doctor of Engineering, LTU, MI, USA MS Manuf. Eng., WSU, MI, USA
MBA, CMU, MI, USA BS Electr. Eng., UET, PAK

I believe in criticality of our Membership's input in key decisions, creating positivity, cohesion, and unity. There is no place for resentment or anger about our profession. There is a significant need for moving forward with an increased transparency.

Years of PEO registration: 18
