My name is Randall (Randy) Walker, P.Eng, FEC.
Senior Eastern Region Councillor

I am running for a final two (2) year term as
Eastern Regional Councillor.

We at PEO have made progress in the last 3
years doing a regulatory review and getting a
failing grade. We have changed the way council
conducts its business by moving away from
hands on to setting the direction that staff is to
follow.

I started this journey on council to insure a
bright future for all engineers, current and
upcoming and with your support we as a
focused group and fix many of the issues that
have plagued PEO in the past.

Thankyou
