# A Guide for Understanding the Application for Review Process

Please refer to section 25 and section 26 of the *Professional Engineers Act*.

1. A complainant who has previously filed a Complaint with the Registrar for consideration by the Complaints Committee may make an *Application for Review* of the treatment of that complaint by the Complaints Committee to the Complaints Review Councillor (“CRC”).
2. Upon application before the CRC, the Complaint file that was before the Complaints Committee will be transferred to the Office of the CRC from the department that received the original complaint.
3. After receipt of the Application Form by the CRC, you will receive a confirmation that the Complaints file and your Application for Review has been received by the CRC.
4. Pursuant to subsection 26(5) of the Act, the CRC may, at any time after considering an application, make a decision *not to make a review or not to continue a review* in regard to any application made under subsections 26(2) or 26(3) of the Act.
5. A formal Notice will be made by the Complaints Review Councillor (CRC) under subsection 26(6) of the Act only if the CRC *intends to commence* a review.
6. Where the CRC renders a decision not to make a review, or renders a decision not to continue a review, the complainant is provided with the decision, and a copy is also sent to the Association of Professional Engineers of Ontario.
7. Where the CRC provides a Notice of an intention to commence a review, the Association of Professional Engineers of Ontario *must* be provided with a Notice, and a copy will also be sent to the complainant.
8. When the CRC completes a review, the CRC *must* make a report to the complainant, to the person complained against and to the Council of the Association of Professional Engineers of Ontario, and *might* also transmit the report to Minister of the Attorney General of Ontario.
