

Re-elect Vicki Hilborn, MAsc, P.Eng. for Western Regional Councillor

Revitalizing PEO: Fresh Perspective, Bold Actions

Statement

- ❑ I am a **strong advocate** for **self-regulation** in Ontario's engineering profession
- ❑ I have a **demonstrated track record** of **accountability** and **respect** on Council
- ❑ I am committed to bolstering the **chapter system** to meet PEO and member needs
- ❑ I am dedicated to advocating for the needs of **internationally trained engineers**
- ❑ I am working to **restore a pre-license program**, akin to the Engineering Intern program
- ❑ I support the **evolution** of our profession to include **emerging disciplines** and facilitating a pathway for **entrepreneurs** to obtain a P.Eng. license
