

Darla Campbell, P.Eng., CSR-P, FEC
Candidate for PEO President-Elect

Visionary leader with proven record of accomplishment

Darla Campbell brings her experience to elevate the profession in Ontario and take action to keep engineering respected and trusted.

“I chose engineering because it offered the opportunity to become part of a profession. After 30 plus years of licensure in PEO, I continue to wear the P.Eng. designation with pride. I’m running in this election to elevate the engineering profession in Ontario for you, for future generations and for the protection of the public and the environment.”

~ Darla Campbell, P.Eng., CSR-P, FEC, Candidate for PEO President-Elect

This campaign is about collaboration, consultation and leadership.

Collaboration: Working together with members of Council, and associations such as Ontario Society of Professional Engineers, Professional Engineers of the Government of Ontario, and Association of Consulting Engineers of Canada – Ontario, as well as technical associations like IEEE, CSCE to name a few.

Consultation: My platform includes robust consultation with license holders and key stakeholders.

Leadership: PEO needs a leader with a proven record of accomplishments, leading boards, organizations, people and projects.

Key Priorities

- Continuous improvement in enhancing standards and practice guidelines
- Clarify EIT designation in licensing process
- Support national standardization
- Advance inclusivity and diversity
- Vision 2050
- Collaborative leadership with robust consultation.
