Fellow "P.Eng" Members;

It's been a pleasure to participate in the **PEO 2024 Council Elections (PEOvote.ca)**, through the **E4P Candidate Survey** & **All-Candidates Meeting** & **Chapter AGM & Election** events at the **Thousand Islands (Brockville)**, **Scarborough**, Oakville, **London**, **Grand River** (**Waterloo** & **Kitchener**), **Lake Ontario (Whitby & Oshawa)**, **Kingston** & **Ottawa Chapters.** I attended most "**in-person**"!

With this **eBlast**, I am pleased to **activate** my **#SafetyGuy4VP** Campaign QR code with a **Member Feedback eSurvey**… and invite all interested to participate & share with others. An important element of my Campaign is listening to **Members, License & CoA Holders** to sense agreement & consensus on **Goals & Priorities**.

I am pleased to accept an endorsement from **Paul Accione**, **P.Eng, FEC**:

> *"I have had the pleasure of working with **Guy Boone, P.Eng FEC** when I was **President OSPE**. We worked together to initiate a number of unique programs to support the engineering profession. Some of these included the **joint social events**, **joint technical seminars**, **engineering employment events**, the joint **GLP/PAN meetings with MPP's** and the **entrepreneurship eco-system program** in the Ottawa Chapter.   He was instrumental in the development of those programs. Guy has been a tireless advocate for services that engineers need and a strong supporter of collaboration among **PEO, OSPE, Learned Engineering Societies** and **Engineering Universities**. I am pleased to endorse **Guy** for the **Vice-President** position on **PEO Council**."*

Please let me know if I can be of assistance… I value & appreciate your Support, and we work together to advance the Profession!
