

Darla Campbell, P.Eng., CSR-P, FEC

CANDIDATE FOR PRESIDENT-ELECT

Darla Campbell learned leadership from the trenches of a construction site, collaborating with the contractor and working together to get results. After 20 years of infrastructure experience she re-certified as a trainer and coach to expand her expertise to the efficiency improvements of a company's greatest asset – its people, and then expanding to sustainability and asset management.

- B.Sc., Civil Engineering (1989)
- Sustainability & Asset Management Specialist, Dillon Consulting Limited
- Presented papers at WEAO, OWWA, OGRA, ACE23 and CNAM conferences
- Former Executive Director, Ontario Coalition for Sustainable Infrastructure (OCSI)

From her experience leading national and international organizations to her role as Director on the Oakville Chamber of Commerce and the CNE Association and Vice President of PEO Council, Darla exemplifies the values of inclusive leadership every step of the way.
