

Thanks for your **votes of confidence** last year, it is a pleasure to serve on the PEO **Council** as your **Elected VP Councillor**. Having served two terms as **PEO Eastern Region Councillor (2016-2020)**, it's been a productive **1-year checkin** to discover rationale for Council Decisions.

My **Council Priorities** remain as follows:

<input type="checkbox"/> EIT Re/Instatement	<input type="checkbox"/> Supporting EIT Experience	<input type="checkbox"/> Recognizing Emerging Disciplines
<input type="checkbox"/> Enhancing CPD/PEAK, with greater alignment across Canadian Jurisdictions		<input type="checkbox"/> Council Election Reform

I decided to step up again as **PEO President Elect Candidate**, as work remains unfinished and to support **Council Election Reform**. Progress has been made with the [Nov 2024 Council Decision to bring back the EIT \(Engineering Intern & International Engineers in Transition\) Program better](#). **PEO Staff** has just launched a [Stakeholder Consultation](#), with feedback received up to Feb 20th.

With the **2025 President Elect All-Candidates Meeting** being cancelled due to my opponents not being available, you may want to view my past recordings.

https://www.youtube.com/watch?v=4ZLtkhws_kl (Councillor-At-Large Candidate, 20Feb2009)

There is a trend for many of our Councillors to be acclaimed. On the day when I saw only one candidate for President Elect, I entered the race to ensure members had a choice in this election. I wish to thank Dr Leila Notash and Darla Campbell for offering to run. I look forward to discussing the issues.

Thanks to all **PEO Chapters** who are inviting candidates to speak & have Invited me!:

Lampton (Sarnia)	Scarborough	Lake Ontario (Whitby)	Toronto Humber
Nigeria Falls	Brampton	Grand River (Kitchener/Waterloo)	Oakville

Regards, Guy Boone, P.Eng ([PEO](#), [PEGNL](#), [NAPEG: NWT & NU](#) & [Engineers Yukon](#)) FEC
