

Capable, Trustworthy, Experienced

Guy Boone, P.Eng, FEC

Currently **PEO Elected VP Councillor** & Former
Eastern Region Councillor (2 terms; 2016 to 2020)

To ELEVATE the ENGINEERING PROFESSION, PEO MUST become more ADAPTIVE & EMBRACE its' "DELEGATED AUTHORITY" as a Self-Governing Regulator. TRANSFORM or become IRRELEVANT!

Licensed in 5 Jurisdictions, including PEO (ON), PEGNL (NL), NAPEG (NWT & NU) & Engineers Yukon

My Value, Goals & Priorities:

- ✓ Support **PEO 2050 VISION** motion!
- ✓ **MEMBER RESPECT:** Greater communications with members on issues impacting engineers.
- ✓ **OUTREACH:** Engineering community must engage & work with other stakeholders including learned societies, companies and government to understand, regulate and enforce.
- ✓ **LEADERSHIP:** When making Policy decisions, engage with stakeholders and perform Peer Reviews.
- ✓ **PROTECT the PUBLIC INTEREST:** A sacred responsibility as a self governing profession, & must address all engineering practices, proactively & not reactively.
- ✓ **COUNCILLOR ACCOUNTABILITY:** Councillors NEED to be Compensated!

Collaborating with License/CoA Holders, & Councillors:

- ✓ **RE/INSTATEMENT of EIT (Engineers In-Training & In-Transition):** Support **Nov 2024 Council Decision** for Implementation.
- ✓ **SUPPORT Canadian Engineering Graduates & Foreign Educated Professionals** to obtain their required P.Eng experience.
- ✓ **ADVANCED TECHNOLOGIES & EMERGING PRACTICES:** Support the creation of a working group &/or committee to review how advanced technologies can be recognized and licenced.
- ✓ **Continuous Professional Development (CPD/PEAK program):** Support PEAK review to enhance effectiveness & seek alignment between Canadian Jurisdictions for CPD Reporting.
- ✓ **CHAPTER INCLUSION: Chapter Reform** required, making **Chapters** strategic & key for Regulatory Operations & critical component of PEO Engagement Strategy. Support bringing back the **Engineering Dimension** magazine with greater community presence at Universities & Waiting Clinics via Kiosk Centres.
- ✓ **ACTIVE GOVERNMENT ENGAGEMENT:** With the latest Government Consultant change, GLP/GLC needs KPIs to engage with elected officials at all levels, **Provincial, Municipal & Federal.**
- ✓ **RESTORATION of SELF-REGULATION:** Reinstatement of PEO Committees, such as Professional Standards & Enforcement.

Vote for a Strong Advocate for the Engineer Profession
