

Dr. Sardar Asif Khan, PhD, MSME, MBA, PEng., FEC, PMP

Running for **VICE PRESIDENT**

BACKGROUND:

A dedicated advocate for engineering with a **proactive, results-driven approach**. **Visionary leader** with a track record of success in large-scale manufacturing and supply chain operations, including **transformative change and culture recognition at Stellantis**. Demonstrated **financial acumen** through oversight of multi-million-dollar budgets. As a professor, I inspire and mentor over 250 engineers annually, instilling a commitment to learning, ethics, and continuous development. **My passion for the profession, strategic vision, and effective leadership uniquely position me to address critical issues at PEO.**

STRATEGIC LEADER:

- ✓ **Co-chaired GLP** conference for **two consecutive years**.
- ✓ **Led multimillion-dollar projects** at the North American level.
- ✓ **Held key leadership roles** in industrial engineering organizations, driving successful product launches and plant transformations.
- ✓ Experience in navigating **legal and regulatory** frameworks for organizational compliance.

VICE PRESIDENTIAL GOALS:

- ✓ Addressing regulatory challenges in **emerging engineering disciplines**.
- ✓ Enhancing **the P.Eng. license as an asset** for young engineers and the public.
- ✓ Advocating for **exclusive rights of licensed engineers** for public welfare and safety.
- ✓ Cultivating **value and respect for members** and revitalizing the chapter system.
- ✓ Council and Election reforms.

CREDENTIALS:

- ✓ Employed at **Stellantis**, leading the Continuous Improvement Division in North America across 22 plants.
- ✓ Extensive **leadership** in diverse engineering and management roles.
- ✓ **Professor** at U of Windsor for 10 yrs.
- ✓ **Current Vice Chair** for PEO's **GLC**.
- ✓ **Past Chair**, active member of **PEO Windsor-Essex Chapter** since 2006.
- ✓ **Governing Board Director** at Windsor-Essex County Health Board.
- ✓ **Chair**, Automotive Design Program Committee at St. Clair College.
- ✓ **Warden**, Camp 14 Iron Ring Ceremony.

TOP AWARDS:

- ❖ **Engineer of the Year**, Windsor-Essex, Engineering Month, 2023
- ❖ **Order of Honour**, PEO 2019
- ❖ **Leader of Leaders**, Chrysler, 2018
