2025 PEO LAKEHEAD CHAPTER ENGINEERING SCHOLARSHIP

The Professional Engineers of Ontario (PEO) Lakehead Chapter is pleased to offer scholarships for up to three students entering an **engineering program at Lakehead University this Fall**. Other programs and universities are NOT eligible. A total amount of \$1500 will be awarded. Applicants must graduate from Grade 12 at a high school in Thunder Bay or the Superior-Greenstone District School Board. The successful candidates will receive their scholarship by e-Transfer in the Fall upon proof of registration at Lakehead University.

Email your application in DOC or PDF format to: peolakehead.scholarship@gmail.com

Submission Deadline: **April 30th, 2025 11:59PM**

To ensure a timely response to any questions, please submit your questions a minimum of 72 hours prior to the application deadline.

Scholarship awards are based on academics, extracurricular activities, and your interest in a career in engineering as a licenced Professional Engineer. All information provided is confidential and is used solely to determine the successful applicant(s) in accordance with PEO's Privacy Policy available at www.peo.on.ca. Lakehead Chapter PEO reserves the right of select criteria to select the awardee(s) based on the merits of submissions received by the deadline.

Submit your application in the form of a report (DOC or PDF file) using the identified headings to answer the following questions:

- 1) **Contact Information:** name, mailing address, email address, phone number, and name of your high school. Include the name of a Student Services contact for verification if necessary.
- 2) **A statement confirming that you will attend the Faculty of Engineering at Lakehead University this Fall if accepted, and that all information provided in your submission is correct.** If you later decide to attend a different university than Lakehead any award is forfeited.
- 3) **A PDF of your academic marks transcript** (may be submitted as a separate attachment).
- 4) **What do the words "Professional Engineer" mean to you?** In 300 words or less, describe what engineers do for society, and their responsibilities to society.
- 5) **Why do you want to become a Professional Engineer?** In 300 words or less, describe what field of specialization you wish to study, why, and what you want to achieve with your education and career.
- 6) **In 200 words or describe your extracurricular interests and activities and explain why you chose to be involved in these activities** (volunteering, athletics, counselling, clubs, hobbies, etc.). Also mention if there is any engineering component in your activities such as robotics, or math club, etc.

Thank you for your efforts in preparing your submission for the PEO Lakehead Chapter Scholarship.

We wish you the best in your future engineering career!
