Guests: Jodi Butts, Partner, Watson Board Advisors
Rahel Sahelu, Analyst, Watson Board Advisors
Geoff Schoenberg, Consultant, Watson Board Advisors
Sandi Verrecchia, President/CEO, Satori Consulting Inc.

Call to Order

Notice having been given and a quorum being present, the Chair called the meeting to order and welcomed Committee members, staff, and guests; and made procedural announcements related to the conduct of the meeting. Councillor Glen Schjerning agreed to assume the role of chair for the remainder of the meeting on the advice of Chair MacFarlane.

Approval of Agenda

The committee agreed to discuss item 10.0 after item 4.0, "Consent Agenda".

Via consensus, the committee agreed to approve the agenda for the November 13, 2024 meeting as amended.

Conflicts of Interest

No conflicts were declared.

Consent Agenda – Previous Minutes

Via consensus, the committee agreed that the minutes of the 31st open session meeting of the Governance and Nominating Committee, held on September 10, 2024 accurately reflect the business transacted at that meeting.

Consent Agenda – Updated 2024-2025 GNC Work Plan

No discussion of this item took place.

Election Committees Reform

The committee reviewed recommendations from staff regarding the Central Election and Search Committee (CESC) and the Regional Election and Search Committees (RESC). Staff presented two possible options for the committee to discuss.

1. Removing CESC's recruitment role and maintain its election complaint's role
2. Removing CESC and RESC entirely.

[A. Elshaer and F. Saghezchi joined the meeting at 9:15 a.m.]

The committee discussed the options and related matters, summarized below:

- In reference to option 1, it was suggested that another option is that the recruitment role could be maintained by the CESC and that complaints be handled by a different group.
- Election security matters were highlighted, including the importance of improvements such as multi-factor voting authentication. Staff noted that there is an opportunity to make this and other suggestions for improvement in future election procedures documents.
- It was suggested that the composition of the CESC committee should be PEO members who currently do not sit on Council to avoid conflict of interest and be independent of Council. Further, staff reminded the committee that PEO elections are managed by independent third-party providers to prevent conflicts of interest; and staff's involvement is strictly administrative in support of the CESC and the service providers.

The committee directed staff to return with a proposal in 2025 for any changes to the CESC/RESC for GNC review and Council approval. Staff also noted that they will also present information on how PEO election voting is secured through electronic voting, and how other regulators handle board elections.

[S. Rawal left the meeting at 9:30 a.m.]

Safe Disclosure Policy

The committee reviewed the recommended revised Safe Disclosure Policy to improve on the existing policy, particularly in terms of clarity of definition and coherence of process, in line with the Council's direction set at its February 2024 meeting. It was noted that the changes to the Safe Disclosure Policy apply to all PEO staff, volunteers, and Councillors to provide protection during whistleblower complaints in the workplace.

The committee agreed by consensus to move the Safe Disclosure Policy for final discussion and approval at the next Council meeting scheduled for November 29, 2024.

Councillor Training Protocol for 2025

The committee reviewed the proposed 2025 Councillor Training Protocol which includes the areas of eligibility, criteria, and process requirements. Councillors reviewed the changes to the 2025 protocol which included a \$200 increase per councillor in training funds to provide for travel expenses, additional references that training dollars do

not include HST, and an additional option for Councillors to pay for courses directly. Staff also answered questions related in the event councillors would like to register for courses exceeding the training budget, and staff will work to accommodate councillors' requests on a case-by-case basis.

The committee agreed by consensus to recommend the 2025 Councillor Training Protocol for final discussion and approval at the next Council meeting scheduled for November 29, 2024.

Regional Councillors Committee Charter

The committee reviewed the proposed Terms of Reference for the Regional Councillors Committee (now called "Charter"), as the Regional Councillors Committee (RCC) recommended. The Charter has been formatted similarly to the Charter documents of PEO's four governance committees and has been streamlined and updated to reflect hybrid and virtual meetings, and changes in PEO's organizational structure.

Councillors also raised questions related to scholarship allocations to chapters. The RCC recently voted to increase scholarship allocations to some chapters, and the committee asked for some clarity on what can be approved at RCC and what can be approved at the Council level. Staff noted that RCC provides a report at each Council meeting and suggested that specific questions could be asked in that context.

[J. Butts, R. Sahelu, and G. Schoenberg joined the meeting at 9:56 a.m.]

[G. Wowchuk left the meeting at 10:00 a.m.]

The committee agreed by consensus to move the proposed Charter for final discussion and approval at the next Council meeting scheduled for November 29, 2024.

Establishing Metrics for Governance Performance, Including Principles of Equity, Diversity and Inclusion

The committee received a presentation from representatives of Watson Board Advisors who were retained to consult in the development of a Board Evaluation Framework which was approved by Council to support the 2023-2024 strategic goal of continuous governance enhancement. The presentation included insights on the following:

- The value of effective council evaluation frameworks for self-regulatory professions
- Scope and components of council evaluation frameworks
- Findings from the survey completed by Council members
- Common misconceptions regarding council evaluations
- Current progress of the project and next steps

As part of the next steps, Watson Board Advisors will facilitate a focus group in December 2024 to gather feedback to help develop the framework. The focus group will be made up of select councillors with a diversity of experience and perspectives and members of PEO management. The committee agreed that GNC members will be the selected councillors to participate in the focus group.

[S. Verrecchia joined the meeting at 10:15 a.m.]

[J. Butts, R. Sahelu, and G. Schoenberg, left the meeting at 10:25 a.m.]

Council Remuneration Framework

The committee received an update from S. Verrecchia of Satori Consulting Inc (Satori) on the Council Remuneration Project which was approved by Council in February 2023. The presentation included an overview of the findings to understand why some regulators choose to remunerate elected members of council as well as the environmental scan on how regulators compensate appointed and elected members.

As a point of clarification, it was noted that the Lieutenant Governor-in-Council Appointees on Council who do not possess a P.Eng. licence are remunerated by the Government of Ontario; and lay LGA councillors serve in an unpaid capacity.

Satori will continue its research by surveying licence holders, and current and past councillors to test sentiment on remuneration and will also look at various models and their impacts to PEO and its members. Findings and recommendations will be provided to GNC at its February meeting.

[S. MacFarlane and S. Verrecchia left the meeting at 10:40 a.m.]

In Camera

The committee moved in camera by consensus at 10:41 a.m.

Return to Open Session

The committee returned to open session at 10:45 a.m.

There being no further business, the meeting concluded 10:45 a.m.

These minutes consist of 4 pages.

Minutes

The 27th Meeting of the REGULATORY POLICY AND LEGISLATION COMMITTEE (RPLC) of PROFESSIONAL ENGINEERS ONTARIO was held via ZOOM Videoconference on Tuesday, November 12, 2024 at 9:00 a.m.

Present: Vicki Hilborn, P.Eng., Committee Chair and Western Region Councillor
Greg Wowchuk, P.Eng., President (ex officio)
Guy Boone, P.Eng., Vice President (elected)
Chantal Chiddle, P.Eng., Eastern Region Councillor
Hannah Ehtemam, P. Eng., East Central Region Councillor
Leila Notash, P.Eng., Councillor-at-Large

Regrets: Roydon Fraser, P.Eng., Past President (ex officio)
Michelle Liu, P.Eng., Eastern Region Councillor

Staff: Jennifer Quaglietta, P.Eng., CEO/Registrar
Dan Abrahams, Vice-President (VP), Policy & Governance and Chief Legal Officer
Americo Viola, VP, Regulatory Operations and Deputy Registrar
Marina Solakhyan, Director, Governance
Meg Feres, Manager, Council Operations
Jordan Max, Manager, Policy
Sheetal Rawal, Policy Counsel, Governance
Anita Vijayanathan, Council and Committee Coordinator

Call to Order

Notice having been given and a quorum being present, the Chair called the meeting to order, welcomed the Committee and staff; and made procedural announcements related to the conduct of the meeting.

Approval of Agenda

Following item 4.0, the Chair requested that staff provide a brief update on the Council plenary scheduled for November 28. Further, it was proposed to move items 9.0 and 10.0 to follow the plenary update, and to move item 5.0 to the end of the open session.

Moved by Councillor Chiddle, seconded by Vice President Boone:

That the agenda for November 12, 2024 RPLC meeting be approved as amended.

CARRIED

President Wowchuk notified the committee of his intention to include the topic of the PEAK Program on the agenda for the February RPLC meeting. The Chair acknowledged and expressed appreciation for the early notice and invited the President to further discussions offline.

Conflicts of Interest

No conflicts were declared though Councillor Hilborn stated she is an employee of the Ontario government and participating at the meeting as a citizen and not a public service employee.

Consent Agenda: Previous Minutes

Moved by President Wowchuk, seconded by Councillor Chiddle:

That the open session minutes of the September 11, 2024 accurately reflect the business transacted at that meeting.

CARRIED

Consent Agenda: Updated 2024-2025 RPLC Work Plan

No discussion of this item took place.

Council Plenary

Staff provided the following update regarding the upcoming Council plenary in which the main topic will be the Engineering Intern (EIT) program:

- Staff advised the committee that they have been coordinating with a facilitator to prepare for the upcoming plenary session, with the participation of the President and the RPLC Chair.
- The agenda is currently being finalized with ongoing updates to ensure that the session is interactive and meaningful, allowing councillors to provide feedback on the EIT program.
- Material is also being prepared for councillors to review prior to the session.
- Staff advised that if there are any councillors who are not available to attend the plenary, they will have the opportunity to submit their feedback in advance of or after the event.

Canadian Experience Removal Impact Analysis

Staff provided an update on the monitoring efforts following the 2023 removal of the Canadian experience requirements from Regulation 941 under the Professional Engineers Act. The preliminary findings indicated no significant impacts to date, though awareness of the change remains low.

Ongoing monitoring and communications improvements will be prioritized to assess long-term effects and ensure stakeholders are informed.

The following is a summary of the discussion:

- With respect to inquiries about the nature of monitoring, staff clarified that it is done actively through mechanisms such as surveys and engagement with stakeholders as cited in Appendix A.
- Councillors commented that there may be significant impacts from changes such as this which may be long-term and not immediate. Staff agreed and emphasized the need for ongoing monitoring to comprehend the impacts.
- Staff answered questions related to the nature and level of external communications on this topic, noting that this matter was well-publicized at the time of the removal and that current applicants are informed.
- It was noted that in Competency Based Assessment, 8 of 34 competencies are considered Canadian environmental competencies.

Staff will continue to monitor and provide the committee with further updates on an annual basis.

Proposed Regulatory Change: Non-cooperation with PEO Investigations & Inquiries

The committee discussed a proposal by staff to amend the definition of professional misconduct in PEO's general regulations to include failure to cooperate with PEO investigations or inquiries. Staff presented the rationale, which highlighted regulatory gaps and sought direction from the committee on whether to proceed with public consultation.

The following is a summary of the discussion:

- The committee inquired about the Government's perspective on this proposal. Staff clarified that though the Ministry has not been consulted directly yet, it is expected that they would support alignment with other regulators.
- Councillors expressed concerns about the proposal, which involves the area of professional misconduct, and suggested that staff explore alternative methods to address non-cooperation risks.
- Staff noted the adverse operational impacts that exist in the current state in which members are not compelled to respond to PEO as the professional regulator, including the inability to resolve and close cases, and increased costs.
- Councillors suggested that further clarifications be added to Council's briefing, including:
 - Clarity on the operational challenges and delays caused by non-cooperation
 - Alternative mechanisms, if any, used by other regulators to compel cooperation
- The committee agreed on the importance of consulting stakeholders to assess the need for regulatory changes and understand public expectations.

[S. Rawal joined the meeting at 9:55 a.m.]

Staff will determine whether the agenda item can be presented at the November Council meeting or if additional discussion at the RPLC is needed.

Professional Guidelines Review: The Professional Engineer as an Expert Witness Guideline

Staff provided an overview of the proposed revision of the current guideline. It was noted that while the guideline does not impose minimum standards or regulatory requirements, it requires updating to reflect changes in case law, best practices, and industry developments.

Staff advised that the revision will provide clearer guidance to engineers acting as expert witnesses, including addressing potential unconscious bias and conflicts of interest.

The following is a summary of the discussion:

- Councillors expressed their concerns with the minimum expectations for expert witnesses such as years of experience stated in the guideline. Staff clarified that the guideline remains advisory in that it addresses best practices but does not impose minimum standards.
- Councillors requested clarification on the process that was used to engage with stakeholders during the initial phase of the policy impact analysis. Staff clarified that the process included a survey sent to a subset of licence holders who had expressed interest in providing feedback. Staff also notified the committee that future consultations will include legal experts and engineers appearing before tribunals and courts.
- Councillors requested information related to how this guideline ranks among others under review to help with decision making.
- Councillors proposed adding a table or summary to discussion notes, listing all guidelines and their priority.

Staff will revise the guideline to address gaps related to currency, scope, and communications.

Enhanced Mandatory Reporting

The Professional Engineers Act in December 2023 provided Council with the authority to mandate data collection. Staff presented a proposal for the mandatory collection of licence holder information. The presentation outlined a preliminary list of data categories to be collected along with considerations to public expectations, regulatory oversight, data privacy, and administrative efficiency.

The following is a summary of the discussion:

- The committee requested clarity on how the information will be used, including the necessity of some information proposed for collection, such as employment status.
- Councillors requested further clarification for each data point proposed for collection with an added recommendation of prioritizing mandatory data versus desirable data.
- There were some concerns around requesting work contact information along with personal contact information. Councillors suggested that licence holders should decide which contact to provide.
- There was also some concern about the sensitivities related to collecting information on mental health.
- Councillors recommended that staff focus on necessary data collection to avoid overloading licence holders with additional questions.
- Councillors also requested information on cybersecurity regarding safeguarding this information.
- Staff clarified that the data collected would not be shared with any external parties.

At the direction of the committee, staff will refine the language in the proposal to address privacy concerns, clarify acceptable forms of personal contact information, and provide the rationale behind each data point to further clarify the needs behind the request.

A revised proposal will be presented for the committee's review at a future meeting.

Time-Based Experience Requirement

Currently, PEO requires both a 48-month time-based experience and a competency based assessment (CBA) for P.Eng licensure. Following the introduction of CBA in May 2023, Council directed staff to review the necessity of the time-based requirement. Staff presented an overview of the policy impact analysis related to PEO's time-based experience requirements. The analysis concluded that there is no evidence to support keeping or reducing the 48-month requirement.

The following is a summary of the discussion:

- There was discussion by committee members to reduce the requirement to two years and recommended that PEO define the necessary competencies and determine if they can be achieved in less time. There was also some discussion on whether all the competencies were essential.
- Staff emphasized the importance of a phased and data driven decision and noted that, currently, there is no data that justifies reducing the requirement to two years.
- Councillors agreed that time-based requirements may be arbitrary but expressed the importance of gathering more data before making substantial changes.
- Staff will continue to monitor the performance of PEO's CBA implementation and gather data on time-to-completion from provinces such as Manitoba.

Staff will report back to the committee in mid-2025 with findings and recommendations to the time-based requirement.

Professional Guidelines Review: Services of the Engineer Acting Under the Drainage Act Guideline

Staff presented an overview of the Drainage Act Guidelines. The review, conducted as part of PEO's policy development process, included a policy impact analysis and stakeholder consultations. Staff recommended discontinuing the guidelines as no gaps were identified and sufficient guidance is already provided by the Ontario Ministry of Agriculture, Food, and Rural Affairs.

The committee members had no concerns and recommended by consensus to recommend that Council approve that PEO's practice guideline titled 'Services of the Engineer Acting Under the Drainage Act' be discontinued.

Motion to Move In Camera

Moved by Councillor Chiddle, seconded by President Wowchuk:

That the committee move in camera at 11:15 a.m.

CARRIED

Return to Open Session

The committee returned to open session at 11:25 a.m.

Additional Open Session Discussion

The committee discussed the Strategic Stakeholder Advisory Group. Staff confirmed updates on this group's activities are included in the CEO/Registrar's reports to Council.

There being no further business, the meeting concluded at 11:42 a.m.

These open session minutes consist of 5 pages.
