

**PEO's elections are now underway.**

If you haven't voted yet – please visit [www.peovote.ca](http://www.peovote.ca) to vote.

**Vote to make your voice heard.**

It's time Western Region have a fresh voice at the PEO Council. I am that voice. As a Western Region Councillor, I would work with you and for you. I need your help (the members) to help me to make PEO become the best, modern, regulator.

As Western Region Councillor, I'd work to ensure that the emerging engineering disciplines are fully recognized and regulated – to ensure public safety.

I am for:

- Proper support for chapters.
- Fairness and inclusivity in key decisions.
- Making Council more open and transparent.
- Ensuring that the restored and updated EIT program that is beneficial for engineering graduates.
- Greater member involvement in self-regulation.

My PEO volunteer history

- Volunteering for the London Chapter for over 15 years, served as treasurer, secretary, vice-chair, and chair.
- Member of Chapter Procedures Manual Advisory Group.
- Member of Chapter Leaders Conference organizing committee.

I can be contacted me via [kris.m.popiolek@gmail.com](mailto:kris.m.popiolek@gmail.com), [LinkedIn](#), or [krispopiolek.wordpress.com](http://krispopiolek.wordpress.com)

Please elect Kris Popiolek as your next Western Region Councillor to spark a change.

***Kris Popiolek, P.Eng., FEC  
for Western Region Councillor***
